- A student who is enrolled as a freshman at a college or university under an early admittance program and was enrolled as a full time student at Madawaska High School for a minimum of six semesters may graduate with his/her class and receive a Madawaska High School diploma if all graduation requirements have been met.

- A student from the Madawaska School Department who is recognized as a graduate from a state approved magnet school has the option of marching with his/her class at commencement exercises; however, the student will not receive a diploma from Madawaska High School.
